## 22-25 September 2011: Annual Meeting of SAVE Foundation and the European SAVE Network

The Annual Meeting will take place at occasion of the "Regional Fair of Balkan AgroBiodiversity" (Rare Breeds Exhibition) in Dimitrovgrad, Serbia (border to Bulgaria).

The Meeting will be combined with DAGENE, our Regional Partner in the Danubian area. Planned are a livestock and rural development study tour to the Stara Planina Nature Park and the visit of the Regional Rare Breeds Fair.

Provisional Agenda:

### 5<sup>th</sup> European Seminar on AgroBiodiversity: "Preservation or Adaptation? – Conservation in the face of a changing environment"

#### Thursday, 22 September:

- Arrival and registration
- Open session of the SAVE Project Commission

#### Friday, 23 September:

- 5<sup>th</sup> European Seminar on AgroBiodiversity "Preservation or Adaptation?"
- Visit of the Regional Fair of Balkan AgroBiodiversity
- Social dinner with local products
- Determination of the Arca-Deli Awards

#### Saturday, 24 September

- Study Tour to Stara-Planina Nature Park
- Evening (parallel SAVE and DAGENE sessions):
  - Combined session of the Project Commission and the Council of Cooperation Partners
  - DAGENE Board Meeting (et altera)

#### Sunday, 25 September

- Visit of Interactive farm Dimitrovgrad
- (parallel) SAVE Board of Directors Meeting
- Farewell

The Meeting will be organized by our Serbian partners: Serbian Assoc. of Old Breeds Breeders; Natura Balkanika Nature Society, Municipality of Dimitrovgrad, STADO ltd Breeding Organization.
